PETALING JAYA: Labuan will stand to gain tremendously with the largest ship-to-ship (STS) transfer hub in Asia, says Datuk Seri Dr Wee Ka Siong.

The Transport Minister said the facility would benefit not only industry players but also the community and the island as a whole.

"Together with Straits Energy Resources Bhd (Straits) chairman Tengku Baharuddin Ibni Almarhum Sultan Mahmud and the Labuan Port Authority (LPA) chairman Datuk P. Kamalanathan, I witnessed the signing ceremony of the Heads of Agreement (HOA) between Victoria STS (Labuan) Sdn Bhd with Fendercare Marine Asia Pacific Pte Ltd at Grand Dorsett Hotel Labuan.

"The HOA was signed by Victoria STS managing director Benjamin Bernard and Fendercare Marine regional manager William Barker.
